10.2 BACHELOR OF ARTS

10.2.0 EDUCATIONAL OBJECTIVES: FACULTY OF ARTS

The Departments of Fine Arts, Literature and Language, Philosophy and Religious Studies, Psychology, and Social Sciences have designed for you a high-quality educational experience to help you attain the following objectives:

1. To discover, from scientific, theological, humanistic, and creative perspectives, what it means to be human.
2. To develop methods of thought and inquiry that will lay the foundation of your future knowledge and wisdom.

3. To learn to read and to listen critically, to write persuasively, and to communicate with a confidence born of knowledge.
4. To train in the latest methods of research and digital literacy appropriate to each area of study.
5. To perceive and foster connections among your areas of study, the Christian tradition, and the wider world around you.
6. To identify with Concordia University of Edmonton's aim of developing "independent thinkers, ethical leaders, reflective servants in their occupations, and citizens for the common good."
7. To create the basis of your future academic, professional, or vocational career, enabling you to "learn for life."

10.2.1 FOUR-YEAR BACHELOR OF ARTS DEGREE PROGRAMS

A. GENERAL ACADEMIC REQUIREMENTS

Candidates for Concordia University of Edmonton's four-year Bachelor of Arts programs:

1. Must complete a total of 120 credits.
2. Must complete a core requirement of 33 credits minimum—consisting of the core requirements and 3 additional credits of Fine Arts (ARTH, DAN, DRA, MUS, or, MUP). See *Core Requirements*, section 10.1.
3. Must complete 36-60 credits in a major, or complete a General Studies major.
4. Except for the General Studies major, must complete at least 18 credits in a minor, of which 6 credits must be at the senior level; alternatively, a second major is permissible.
5. May take only 6 credits of junior-level English and 6 credits of junior-level Religious Studies.
6. May take no more than 48 credits of junior-level courses for credit toward a degree.
7. May include core course requirements in the major and minor. However, the same course may not be counted toward both the major and minor requirements.
8. Must complete 60 of the 120 credits required to graduate at Concordia University of Edmonton. Moreover, at least 18 credits of the last 30 credits must be completed at Concordia University of Edmonton (*Residency Requirement*, section B).
9. May take no more than 60 credits in any one discipline. However, 72 credits in Psychology are permitted for students who select a minor in Forensic Studies, and only 42 credits are permitted in any discipline of a concentration of the General Studies major.
10. Must take a minimum of 102 credits in Arts and Science courses, of which a minimum of 66 credits must be Arts.
11. For continuation in the four-year English, Music, Religious Studies, and Sociology degree program, must maintain a minimum overall GPA of 2.0 or higher, and a minimum GPA of 2.3 in the major. For the four-year General Studies degree program, must maintain a minimum overall GPA of 2.0. Students in the applied emphasis programs in Psychology and Religious Studies should consult the program and GPA requirements in section C, items 5 and 7.

Students who do not meet the minimum GPA requirements to continue in the four-year BA should consult with a Registration Advisor regarding the three-year BA degree program.

12. For graduation, must have a minimum overall GPA of 2.0 in the 120 credits applicable to the degree, and a minimum GPA of 2.3 in the courses in the major. In addition, students in the Religious Studies (Applied Emphasis) degree program must present a minimum GPA of 2.3 in the Religious Studies (Applied Emphasis) minor. For further information, see *Graduation Requirements*, section 9.7.1.

Candidates who do not meet the minimum GPA requirements for the four-year BA should consult a Registration Advisor regarding the three-year BA degree.

13. Must present credit in a 30-level Language Other than English or one of FR 102, GERM 102, GRK 102, HEBR 102, LAT 102, or SPA 102.

B. RESIDENCY REQUIREMENT

Candidates for Concordia University of Edmonton's four-year Bachelor of Arts degree must complete the specified credits at Concordia University of Edmonton (section A.8). Students who plan to take courses at other institutions must first follow the procedures for *Visiting Student Permission*, section 4.4.3.A.

- c) 15-21 credits of unspecified senior-level Religious Studies courses

10. Sociology

24-30 credits required, to include:

- a) SOC 100
- b) SOC 210 and 315
- c) SOC 332
- d) SOC 405
- e) 9-15 credits of unspecified Sociology courses with a maximum of 3 credits at the junior level

Minor programs of study are indicated in section 10.5

10.3 BACHELOR OF MANAGEMENT

10.3.0 EDUCATIONAL OBJECTIVES: FACULTY OF MANAGEMENT

The Faculty of Management at Concordia University of Edmonton is committed to developing “Ethical Leaders for a Global Economy”. The goal is to encourage students to think strategically, using both their hearts and their minds: understanding that the success of any business can be measured by its ability to build and nurture quality relationships internally and externally.

This first objective is the foundation for the Faculty’s more specific objectives. Concordia University of Edmonton has designed its Management program:

1. To graduate professionals who show leadership in their field.
2. To integrate and involve the community in our programs as mentors, teachers, advisors, and employers.
3. To develop and deliver targeted programs that are widely recognized for the quality of the learning experience.
4. To freely share knowledge, skills, research, and values.
5. To serve all internal and external stakeholders in timely, effective, and efficient ways.
6. To stay abreast of recent developments and research, and to maintain professional contacts in the communities in which our graduates seek career opportunities.

10.3.1 FOUR-YEAR BACHELOR OF MANAGEMENT DEGREE PROGRAM

Concordia University of Edmonton's Bachelor of Management program has been designed to cultivate graduates with a combination of superior professional/technical competency and effective management/leadership skills that will allow them to excel in any industry.

The program's core curriculum integrates professional and technical courses in accounting, financing, information technology, human resources, operations, and marketing, with management/leadership, communication, and organizational studies courses that foster strategic and critical thinking, creativity, well-roundedness, interpersonal effectiveness as well as social and ethical accountability.

Practical and relevant learning is enhanced through the program's engagement of industry experts in the classroom, an employer advisory committee consisting of high profile business and community leaders, a 450-hour practicum, student consulting projects, and other experiential learning activities.

The program is innovative and highly flexible, giving students the opportunity to complete their Bachelor of Management degree with an emphasis in Accounting, Finance, Human Resources, Leadership, or Marketing, or with a minor in various fields from the Faculties of Arts and Science. Students in other programs may also enhance their degree with a minor in Business.

The Bachelor of Management degree prepares students to enter the workforce directly as well as provides the necessary requirements for students to pursue graduate studies in a wide range of business, academic, and professional fields.

A. GENERAL ACADEMIC REQUIREMENTS

Candidates for Concordia University of Edmonton’s Bachelor of Management program:

1. Must complete a total of 120 credits.
2. Must complete the core requirement of 30 credits minimum. See *Core Requirements*, section 10.1.

3. Must complete 60 of the required 120 credits at Concordia University of Edmonton. Moreover at least 18 credits of the last 30 credits must be completed at Concordia University of Edmonton, including MGT 498 (*Residency Requirement*, section B).
4. May complete a minor, emphasis or select a range of electives.
5. For continuation in the program, must maintain an overall GPA of 2.3 or higher.
6. May count no more than 48 credits of junior-level courses toward the degree.
7. For graduation, must have a minimum overall GPA of 2.3 in the 120 credits required for the degree. For further information, see *Graduation Requirements*, section 9.7.1.

B. RESIDENCY REQUIREMENT

Candidates for Concordia University of Edmonton’s Bachelor of Management degree must complete the specified credits at Concordia University of Edmonton (section A.2). Students who plan to take courses for credit at other institutions must first follow the procedures for *Visiting Student Permission*, section 4.4.3.A.

C. PROGRAM REQUIREMENTS

1. **Core Requirements:** 30 credits
See *Core Requirements*, section 10.1

10. Must take a minimum of 102 credits in Arts and Science courses, of which a minimum of 66 credits must be Science.
11. For continuation in the four-year program, must maintain a minimum overall GPA of 2.0 or higher and a GPA of 2.3 or higher in the major.

Students who do not meet the minimum GPA requirements to continue in the four-year BSc should consult with a Registration Advisor regarding the three-year BSc degree.

12. For graduation, must have a minimum overall GPA of 2.0 in the 120 credits applicable to the degree, and a minimum GPA of 2.3 in the courses in the major. For further information, see *Graduation Requirements*, section 9.7.1.

Candidates who do not meet the minimum GPA requirements for the four-year BSc should consult a Registration Advisor regarding the three-year BSc degree.

B. RESIDENCY REQUIREMENT

Candidates for Concordia University of Edmonton's four-year Bachelor of Science degree must complete the specified credits at Concordia University of Edmonton (section A.9). Students who plan to take courses at other institutions must first follow the procedures for *Visiting Student Permission*, section 4.4.3.A.

C. MAJOR REQUIREMENTS

1. Biology

Biology: 42-60 credits required, to include:

- a) BES 107 and 108
- b) BIO 201 and 207
- c) BIO 208 and 227
- d) ENSC 204
- e) BIO 470 and 480
- f) 15-33 credits of unspecified senior-level Biology courses, of which at least 12 credits must be at the 300- or 400-level.

In addition to the above, students must complete:

- g) CH 101
- h) CH 261
- i) BIOCH 200
- j) MAT 151 and 3 credits of unspecified Mathematics courses.

Emphasis in Cell and Molecular Biology: 54-60 credits required, to include:

- a) BES 107 and 108
- b) BIO 201, 207, and 265
- c) BIO 208 and 227
- d) 12 credits chosen from BIO 302, 307, 350, 355, 366, or 465
- e) BIO 470, 480, 488, and 489
- f) 9-15 credits of unspecified senior-level Biology courses

In addition to the above, students must complete:

- g) MAT 151 and 3 credits of unspecified Mathematics courses
- h) CH 101
- i) CH 102
- j) CH 261
- k) CH 263
- l) BIOCH 200

Emphasis in Integrative Biology: 51-60 credits required, to include:

- a) BES 107 and 108
- b) BIO 207
- c) BIO 208 or ENSC 208 and BIO 227 or ENSC 227

- d) BIO 243 or 245
- e) 6 credits chosen from BIO 201, 265, 355 or 465
- f) One of BIO 250, BIO 225 or BIO 350
- g) One of BIO 304, ENSC 305, BIO 308, ENSC 308, BIO 339 or ENSC 339
- h) BIO 470, 480, 488, and 489
- i) 9-18 credits of unspecified 300- or 400-level Biology or Environmental Science courses

In addition to the above, students must complete:

- j) CH 101
- k) CH 102
- l) CH 261
- m) BIOCH 200
- n) MAT 151 and 3 credits of unspecified Mathematics courses

2. Chemistry

42-60 credits required, to include:

- a) CH 101 and 102
- b) CH 261 and 263
- c) CH 211, 271 and 331
- d) 6 credits chosen from CH 213, 273 or 332
- e) One of CH 486, 493, 494, 496, 497, 498 or 499
- f) 12-30 credits unspecified senior-level Chemistry (may include BIOCH 200) courses with a minimum of 3 credits at the 400-level.

In addition to the above, students must complete:

- g) 3 credits in Physics
- h) MAT 113 or 114, and MAT 115

MAT 120, MAT 214, and an additional 3 credits of Physics are strongly recommended.

3. Environmental Science

Environmental Science: 42-60 credits required, to include:

- a) BES 107 and 108
- b) ENSC 204 and 208
- c) ENSC 227
- d) ENSC 318
- e) ENSC 475 and 485
- f) 18-36 credits of unspecified senior-level Environmental Science courses, of which 12 credits must be at the 300- or 400-level.

In addition to the above, students must complete:

- g) MAT 151
- h) 6 credits of unspecified Chemistry courses

ECO 101, ECO 369 and MAT 103 are recommended.

Emphasis in Environmental Assessment and Remediation: 54-60 credits required, to include:

- a) BES 107 and 108
- b) ENSC 204 and 208
- c) ENSC 227
- d) ENSC 318
- e) 6 credits chosen from ENSC 215, 308, 339, or 415
- f) 6 credits chosen from ENSC 210, 220, 250, or 305
- g) 6 credits chosen from ENSC 346, 350 or 355
- h) ENSC 430

- i) ENSC 475, 485, 493, and 495
- j) 3-9 credits of unspecified 300- or 400-level Environmental Science courses

In addition to the above, students must complete:

- k) CH 101
- l) CH 102
- m) CH 211
- n) CH 261
- o) MAT 151 and 3 credits of unspecified Mathematics courses.

4. Mathematics

45-60 credits required, to include:

- a) MAT 113 or 114
- b) MAT 115, 120, and 151
- c) MAT 200 and 214
- d) MAT 400
- e) 24-39 credits of unspecified senior-level Mathematics courses including 12 credits at the 400-level

In addition to the above, students must complete:

- f) 6 credits of unspecified Information Technology or Computing Science courses.

10.4.2 THREE-YEAR BACHELOR OF SCIENCE DEGREE PROGRAMS

A. GENERAL ACADEMIC REQUIREMENTS

Candidates for Concordia University of Edmonton's three-year Bachelor of Science programs:

1. Must complete a total of 90 credits.
2. Must complete the core requirement of 30 credits minimum. See *Core Requirements*, section 10.1.
3. Must complete a minimum of 24 credits in a concentration. A higher minimum is specified in some concentrations. Please refer to each concentration for maximum credits allowed.
4. Must complete 18-24 credits in a minor, of which 6 credits must be at the senior level; alternatively, a second concentration is permissible.
5. May take only 6 credits of junior-level English and 6 credits of junior-level Religious Studies.
6. May take no more than 42 credits of junior-level courses for credit toward a degree. However, 48 credits are permitted for Mathematics concentrations.
7. Are permitted to take a maximum of 6 credits from each discipline (except Biology, Chemistry and Mathematics) in the first year of studies.
8. May include core course requirements in concentrations and minors. However, the same course may not be counted toward both concentration and minor requirements.
9. Must take a minimum of 3 credits in 6 different disciplines.
10. May take no more than 30 credits in any one discipline. However, 33 credits are permitted for Chemistry and Mathematics concentrations.
11. Must take a minimum of 72 credits in Arts and Science courses.
12. Must take at least 42 credits from Science courses.

13. Must maintain a minimum Grade Point Average of 2.0.
14. Must complete 30 of the 90 credits required to graduate at Concordia University of Edmonton. Moreover, at least 18 credits of the last 30 credits must be completed at Concordia University of Edmonton. (*Residency Requirement*, section B).
15. May receive up to 60 credits from another institution. Transfer credits may vary depending on program requirements.
Students planning to take courses for credit at other institutions must follow the procedures for *Visiting Student Permission*, section 4.4.3.A.
16. To graduate, must achieve a minimum overall GPA of 2.0 and a GPA of 2.0 in the credits required for the area of concentration. For further information, see *Graduation Requirements*, section 9.7.1.

B. RESIDENCY REQUIREMENT

Candidates for Concordia University of Edmonton's three-year Bachelor of Science degree must complete the specified credits at Concordia University of Edmonton (section A.14). Students who plan to take courses at other institutions must first follow the procedures for *Visiting Student Permission*, section 4.4.3.A.

D. CONCENTRATION REQUIREMENTS

1. Biology

27-30 credits required, to include:

- a) BES 107 and 108
- b) BIO 227
- c) 18-21 credits of unspecified Biology courses, with at least 3 credits at the 400-level

In addition to the above courses students must complete:

- d) 6 credits in Chemistry (normally taken in the first year)
- e) BIOCH 200
- f) MAT 151

2. Chemistry

30-33 credits required, to include:

- a) CH 101 and 102
- b) CH 261 and 263
- c) CH 211
- d) CH 271
- e) CH 331
- f) One of CH 486, 493, 494, 496, 497, 498, or 499
- g) 6-9 credits of unspecified senior-level Chemistry (may include BIOCH 200)

In addition to the above courses students must complete:

- h) MAT 113 or 114, and 115
- i) 3 credits in Physics.

3. Environmental Science

24-30 credits required, to include:

- a) BES 107 and 108
- b) ENSC 204
- c) ENSC 208 and 227
- d) 9-15 credits of unspecified Environmental Science courses, with at least 3 credits at the 400-level

In addition to the above courses students must complete:

- e) 6 credits in Chemistry
- f) MAT 151

ECO 101, ECO 369 and MAT 103 are recommended.

4. Mathematics

27-33 credits required, to include:

- a) MAT 113 or 114
- b) MAT 115, 120, and 151
- c) MAT 200 and 214
- d) One 400-level Mathematics course
- e) 6-12 credits of unspecified senior-level Mathematics courses

In addition to the above, students must complete:

- f) 3 credits of unspecified Information Technology or Computing Science courses.

10.5 MINORS

1. **Biochemistry**

18-21 credits required to include:

- a) BES 107
- b) CH 261
- c) BIOCH 200
- d) BIOCH 350
- e) 6-9 credits of unspecified Biochemistry courses

In addition to the above courses students must complete:

- f) CH 101
- g) CH 102

2. **Biology**

18-24 credits required to include:

- a) BES 107 and 108
- b) 12-18 credits of unspecified senior-level Biology

3. **Business**

18-24 credits required to include:

- a) BUS 110
- b) BUS 120
- c) ECO 101 and 102
- d) One of BUS 112, MAT 151, PSY 211, or SOC 210
- e) 3-9 credits of unspecified Accounting, Business, Finance, Human Resource Management, Leadership, Management, or Marketing courses

4. **Canadian Studies**

18-24 credits required to include 6 credits each from three of the four general areas of study listed below with at least 6 credits at the senior level:

- a) ENG 381, ENG 382, ENG 383, ENG 384, FR 250, FR 300, NS 152
- b) HIS 260, HIS 261, HIS 365, HIS 366, HIS 415, HIS 416
- c) BUS 110, ECO 101, ECO 102, ECO 341, ECO 369, PSCI 224, PSCI 225, MARK 201
- d) SOC 101, SOC 204, SOC 271, SOC 327, SOC 368, SOC 369, SOC 376

5. **Career Development**

18-24 credits required to include:

- a) CDV 200
- b) CDV 201
- c) CDV 300
- d) CDV 302
- e) 3-9 credits chosen from CDV 303, 304, 305 and 306

6. **Chemistry**

18-24 credits required to include:

- a) CH 101 and 102
- b) 12-18 credits of unspecified Chemistry courses with at least 6 credits at the senior level (may include BIOCH 200)

7. **Drama**

18-24 credits required, with at least 6 credits at the senior level, to include:

- a) DRA 101 or 102

18-24 credits required to include:

- a) ENG 100 or ENG 111 and ENG 112
- b) 12-18 credits of unspecified senior-level English courses

*Approved by General Faculties Council on March 20, 2015

12. Environmental Science

18-24 credits required to include:

- a) BES 107 and 108
- b) ENSC 204
- c) ENSC 208
- d) 6-12 credits of unspecified senior-level Environmental Science

13. Forensic Studies

Note: Open only to students in the four-year Bachelor of Arts in Psychology (Applied Emphasis) program.

18-24 credits required to include:

- a) PSY 350, 433, and 452
- b) SOC 224, 321 or 377
- c) SOC 225 and 327
- d) 0-6 credits of courses listed above.

14. French

18-24 credits required to include:

- a) FR 203
- b) FR 250
- c) FR 303 and 312
- d) 0-6 credits of unspecified French courses.

15. History

18-24 credits required to include:

- a) Unspecified History courses with at least 6 credits at the senior level

16. Information Technology and Computing Science

18-24 credits required to include:

- a) Unspecified Information Technology and/or Computing Science courses with a maximum of 9 credits at the junior level

17. Mathematics

18-24 credits required to include:

- a) MAT 113 or 114
- b) MAT 115, 120, and 151
- c) MAT 200
- d) 3-9 credits of unspecified senior-level Mathematics courses

18. Music

18-24 credits required to include:

- a) MUS 211
- b) MUS 261, 262, 263, 281, 282 or 380-series
- c) 3 credits of unspecified MUP courses
- d) 9-15 credits of unspecified MUS or MUP courses, at least 6 of which must be MUS courses and at least 6 of which must be at the senior-level

19. Philosophy

20. Physical Education and Sport Studies

18-24 credits required to include:

- a) PESS 101
- b) 3-9 credits chosen from PESS 245, PESS 345, or SOC 230
- c) 3-9 credits chosen from DAN 340, PESS 201, PESS 293 or PESS 301
- d) 6-9 credits chosen from Physical Activity and/or Physical Activity Team courses, with at least two different activities

21. Physics

18-24 credits required to include:

- a) One of PHY 111, 121, or 131
- b) PHY 122 or 132
- c) PHY 204 or 281
- d) PHY 211
- e) PHY 301 and 302
- f) 0-6 credits of unspecified senior-level Physics courses

22. Political Science

18-24 credits required to include:

- a) PSCI 101, 102, and 224
- b) 9-15 credits of unspecified senior-level Political Science courses

23. Pre-Seminary

Note: The Pre-Seminary minor is suspended at Concordia University of Edmonton starting in 2015-2016. Students presently enrolled in the program will be able to complete their studies; however, no new applications will be received.

18-24 credits required to include:

- a) GRK 101 and 102
- b) HEBR 101 and 102
- c) MUS 261 or 262
- d) RELA 302 or 445
- e) 0-6 credits chosen from DRA 352, PHIL 125, RELA 288, RELA 301, RELA 304 or 3 credits of unspecified Philosophy

24. Psychology

18-24 credits required to include:

- a) PSY 104 and 105
- b) 12-18 credits of unspecified senior-level Psychology courses

25. Religious Studies

18-24 credits required to include:

- a) REL 101 or 150
- b) 15-21 credits of unspecified Religious Studies courses with a maximum of 3 credits at the junior level

26. Religious Studies (Applied Emphasis)

Note: The Religious Studies (Applied Emphasis) minor is suspended at Concordia University of Edmonton starting in 2015-2016. Students presently enrolled in the program will be able to complete their studies; however, no new applications will be received.
